Dear Merchant:

Human Life Services has been serving York County, PA, and surrounding communities for 40 years. Since 1985, we have helped moms, dads, and their families through an unplanned pregnancy with education, parenting classes and material support. *We are a non-profit 501c3, EIN: 22-2625105.*

We invite you to be part of this year's *online Silent Auction* during the 13<sup>th</sup> Annual Golf for Life fundraising tournament on June 24<sup>th</sup> at Heritage Hills Resort. Our goal is to raise \$15,000 through the auction which directly provides free medical services such as pregnancy, STD, and ultrasound testing. It also includes material support such as clothing, diapers, wipes, formula, and personal hygiene items. Cribs, mattresses, car seats and strollers are among the other assorted items our clients can earn by participating in our parenting classes.

Items we are seeking:

*Gift cards, entertainment packages, merchandise, items for gift baskets, sports tickets, dining/catering, movies, shows, vacation/travel packages, amusement park tickets, jewelry, lessons, photo sessions, free service for lawn care, accounting, legal, auto detailing, etc. All items help us to meet our goal.*

The deadline to receive items is Weds., May 21, 2025. The online Auction will run from June 7<sup>th</sup>-24<sup>th</sup>.

All donors will be recognized on our website and in our tournament program.
